RE: TRADE EDUCATION FACILITY, LOCAL #1 – SAFETY CERTIFICATIONS DATABASE

Dear Contributor:

The Trade Education Facility, Local #1 has compiled a database of Local #1 members who have obtained the following safety certifications --

OSHA-10*

OSHA-30

NYC Department of Buildings Scaffold User*

It includes courses given by our Trade Education Facility and also other providers if the member provided proof of the certification to the school. The database is updated periodically.

Employers can access the database at ualocal1.org/training.aspx and clicking this icon (no special entry code is required).

*OSHA-10 cards do not expire but Local Law 41 of 2008, applicable to site safety jobs, requires a new course every 5 years. Scaffold certificates expire after 4 years.

Sincerely,

Stewart O'Brien
